Eco-Social Development Organization (ESDO)

Web: www.esdo.net.bd

Establishment : 3rd April 1988

Vision

We seek an equitable society free from all discriminations

Mission

Reduction in income poverty and human poverty of the people in ESDOs working area through undertaking massive integrated development program for the poor and marginalized community through service delivery and rights based approach. Income generation literacy programme nutrition and health programme human rights and good governance programme giving proper importance to environmental protection and regeneration. ESDO firmly believes and is actively involved in promoting human rights, dignity and gender equality through people's social, economic, political and human capacity building. Women in general and children are the core and central focus of its activities. Strengthening the organizational capacity carries importance to ensure quality of its services. Extending its services to the ultra poor is its main manifesto.
