**Independent Auditor's Report**  
**To The Executive Director of**  
**Eco-Social Development Organization (ESDO)**  
**Report on the Audit of the Consolidated Financial statements**

**Opinion**

We have audited the accompanying Consolidated Financial Statements of Eco-Social Development Organization (ESDO), which comprise the consolidated Statement of Financial Position as at 30 June 2020, and the consolidated Statement of Comprehensive Income, consolidated Statement of Changes in Equity and consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies

In our opinion, the accompanying Consolidated Financial Statements present fairly, in all material respects of the consolidated financial position of Eco-Social Development Organization (ESDO), as at 30 June 2020, and (of) its consolidated financial performance and its consolidated Cash Flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and other applicable laws and regulations.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on auditing (ISAs). Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for professional Accountants (IESBA) Code requirements that are relevant to our audit of the financial statements in and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the Consolidated Financial Statements in accordance with IFRSs, and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

## **Auditors' Responsibilities for the audit of the consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities activities within the project to express an opinion on the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
